hadar as said before was our first ! she is extremely ticklish and we showed her no mercy. since hadar we kept shooting more and more girls.

when i filmed hadar back then in 2006 i didn't really know what the future will bring us....

when i speak with hadar about the day we filmed this clips she starts screaming.

she is still traumatized :)

any way, i decided to create a bundle on this 4 AWSOME nostalgic clips.

you can now get all 4 clips for only 9.99 on direct buy.

fast direct download for ONLY 9.99 ! DOWNLOAD STARTS IMIDIATLY ! [click here if you need instructions](#)

hadar first and and most likely last tickle torture part 1

we have convenced our female friend to let us tide her up and tickle her for the first time.

her saying the words "fuck you i dont want this let me out why did i sad yes" wasent late to come :D

FREEPREVIEW:

{loadposition hadar1}

hadar first and and most likely last tickle torture part 2

In this part hadar still geting tickled but this time she starts to loose it.... and start swearing

{loadposition hadar2}

tickling hadar part 3

more upper body tickling of hadar.

in this part hadar gets really close to craying....

seeing this now remainds me how we didn't have any mercy back then :)

this clip is all upper body we keep tickling hadar until she agreed to say that l&s production is the best :D

hadar first and and most likely last tickle torture part 4.

ok that is the last part of tickling hadar here we told hadar to count from 1-10 in order us to stop tickling.

well you can see for yureself what happend.

notice! clip total time is 4:54min last 1:30 min are after tickling interview.
