Tickling Adva !

Adva is also from the LIRON and NOFAR group.

when we was filming liron and nofar Adva was out of the country so she couldn't join us.

but when Adva came back nofar and liron told her about their little experience.

Adva is extremely cool girl and she immediately wanted to join us.

Adva is tickle light. she isn't as ticklish as her friends but we have found dome good spots ;)
