Tickling Viki !

Again a great find of rotem's sister mor.

this girl even though she wasn't tickled, brought us some great friends of her.

so, viki was a soldier on the israeli army. she served in a military hospital (with mor)

viki is very very ticklish all over her little body.

and she's got the cutest laugh.

we even changed location on her shooting and tickled her on a lost used to be kindergarten
