Meet Ronit, a sweet tiny, very ticklish girl,  
Ronit most kindly told us her most ticklish spot (like I wouldn't find out alone)  
Her Belly! And she proved to be ticklish well pretty much everywhere!  
She didn't really know what she was up for.  
I started up gently ticking her armpits belly checked out her cute bellybutton  
I liked that she didn't tried to hold it in and immediately burst into laughter,  
I kind of think she enjoyed it too (between every "please stop" or two)  
Enjoy!
