Gang Tickle Yonit

Yonit Part 1 – GANG-TICKING *clip is 6:20min long*

Meet Yonit, one of our Three Friends who came together to our tickling shooting.

Yonit is Very ticklish, I started out tickling her armpits gently with a feather, and she immediately started laughing uncontrollably.

You can see her friends sitting aside laughing at poor yonit as I tickle her armpits sides and belly.

Soon enough they came to join me tickle the poor girl mercilessly all over her body, they really enjoyed seeing her sweet suffering, ignoring her begging and pleading to stop. But don't worry payback is a bitch and they will all get it good.

Enjoy

Tickling Yonit's FEET! - clip is 6:12min longm -
Well you will be very happy to hear that yonit's feet
Are very Ticklish! I stated out with the feather because it proved
To be very effective on her armpits, on her feet my hands
Really got her going, and when I pulled the electric toothbrush
Right between those baby toes she got really crazy,
You can see her friends sitting laughing, good friends indeed,
their time will come soon
Enjoy
