Gang Tickling Meril Part 2! - clip is 6:00min long ! -

After we gave her a little break (very little) our extremely ticklish Meril knew what to expect,

She started screaming before we even touched her,

it was all of us tickling her all over

Her very ticklish sides, armpits belly and legs,

I don't think there is a spot on her that isn't ticklish!

Poor girl begged us to stop, she laughed and screamed in her adorable French

Accent, she got so violent she almost broke free from Perswoodski (our awesome device)

Gang Tickling Meril Part 3! - clip is 6:20min long ! -

Poor Meril, I don't think she knew how ticklish she is

Until she fell into our arms (tickling fingers to be exact)

You can see on her face the terror as I come closer and my fingers

Are moving up to her ticklish armpits, and when shay came to surprise

Her from behind well she just screamed and begged (unsuccessfully) for us to stop

She really went crazy there....

and I felt really bad for poor Perswoodskii (our device)

She was very mean to him....

Enjoy!

Meril's feet ! - clip is 6:44min long ! -

Poor meril, she had to be held down by her friends so she would not get loose

Because she would get really wild, and free eventually.

Meril's feet are very ticklish, the slightest touch drives her insane,

I tickled her with the feather which caused a sweet giggly laughter

And the occasional "stop", "please" and "no" I learned to ignore,

And she got really wild when my finger s got in the picture,

especially when I tickled her big toe.

At some point she managed somehow to get away

And tried to attack me! Luckily for me she quickly got held back down,

And unfortunately for her I'm not very forgiven

Enjoy!
