Ticklish Tami !

Meet Tami

Tami studies in the same class with lola (the other girl in the video)

yes, lola is going to get tickled too....

one of her clips is already available at our members site <http://www.xtickle.com>

Tickling Tami part 1 - clip is 6:21min long -

first of all, i must say that Tami is going to our TOP TICKLISH list.

she was really nervous before the shooting but lola who all ready did it told her that there is no way out :)

this clip starts as our loved tickler reut gently tickles Tami all over her ticklish body.

it wasn't really difficult for her as Tami went crazy from the slightest touch.

then reut changes her mode to more aggressive tickling and Tami just going crazy.

you can see her just using all of her muscles trying to get loos.

eventually she managed to loosen her legs (not all the way)

but still reut didn't like this and she decided to site on her !

at this point tami felt completely helpless so she started bumping her hip trying to get reut off of her.

at this point, when i saw my girl in trouble i had to teach tami a quick lesson.

do you think she got it ?

double team on poor Tami

Tickling Tami part 2 - clip is 5:10min long -

So, it's the second clips in this series.

Tami still got tons of power to get loose (she is a strong girl!)

She struggles, trays to move from side to side, and bumping her hips to get reut off of her.

So we decided to join forces!

Reut set on Tami thighs and tickled her belly and lower parts on her ticklish body

While I stayed on the upper part. My job was to attack Tami's armpits every time she tries to get reut off of her.

Tami's ticklish feet get tickled !

Tickling Tami part 3 HER FEET - clip is 10:44min long -

No need to wait any more ! its tami's FEET time !

As all of her body areas, tami's feet are extremely ticklish !

our poor device didn't get a chance to hold her still when reut started with her tickle touch.

we had to find another strategy to hold her still as we didn't even removed her socks still !

so, i jomped in an held her legs while reut did her job (she did it pretty good)

and just when we saw that poor tami can't take it anymore we asked LOLA (her friend) to site on her legs.

This action got her even more helpless to reut's tickling.

And when she took her sucks of.... well, you can see for yourself

Tickling Tami part 4 - clip if{jcomments off}s 05:44min long -
Tami really thinks that we are mean mean people.
perswoodski (our device) is heavily injured during this shooting
tami is really strong, and she is so ticklish, that she just uses all of her power to try and get loose.

finally she ended in a strange position where she can't move any more
and her ticklish areas are still exposed for us to torment her.
mainly reut dose the tickling in this part, once in a while i give her some help to avoid tami from breathing.

Tickling Tami,The End

Tickling Tami part 5 - clip is 05:54min long -

ok, so this is the last part

our device is heavily wounded. but it doesn't matter because Tami is pretty much exhausted.

Tami is now under attack, reut and i tickle her pits, sides, belly, back and thighs.

you can see some heavy armpits tickling closeups as reut digs in Tami's ticklish armpits !

and her ticklish areas are still exposed for us to torment her.

i think that this is a nice ending for this series what do you think ?
