Adeline and anya are friends from the university, but as we started this shooting Adeline showed no mercy on her friend !

Adeline immediately started tickling this poor girl all over her body.

Tickling Anya part 3 * Riding on 18 years old cutie * - clip is 07:45 min long -

I think that this is my favorite part from this series !

Adeline decided that it will be a good idea to site on Anya to prevent her from moving too much.

i can't say that it was a bad idea....

Anya tries her best to kick adeline off but she just can't.

adeline, who by now knows all the secret spots that makes anya go crazy, show no mercy on her poor helpless friend.

at some point, i decided to join the party, and show anya some of my moves.

i don't want to say too much, i can just say that i didn't loose my touch :)
